

# What will we learn in Foundations of Drawing?

## ART IN SOCIETY & WORLD HISTORY

~I can learn about & discuss:

- art from different times & artists around the world
- movements in art history
- the impact of visual arts in society & culture
- the significance of contemporary & creative fields

## LOOKING AT & DISCUSSING ART

~I can make oral & written critical judgements about:

- artwork I've made & the work of other artists
- the quality & effectiveness of artwork
- my own personal connection to the artwork
- the relation of the artwork to world history & culture

## PROCESS & MATERIALS FOR MAKING ART

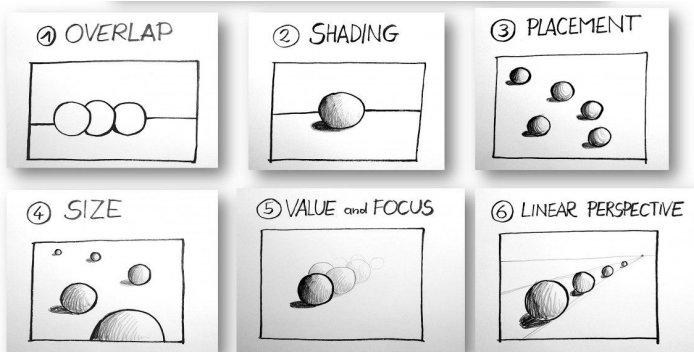

~I can make drawings using:

- a variety of processes like thumbnail sketches, value studies, & research
- techniques like gesture, sketches, contour, & shading
- media like graphite, charcoal, & ink
- quality, craftsmanship & control

## SHOWING DEPTH

~I can create the illusion of 3D space on a 2D paper using:

- overlapping, position, proportion, value & scale
- 1 & 2 point perspective

## CREATING & USING VALUE

~I can use drawing media to create value like flat value, graded value, hatching, stippling, & scumbling

Hatching

Cross Hatching

Stipple

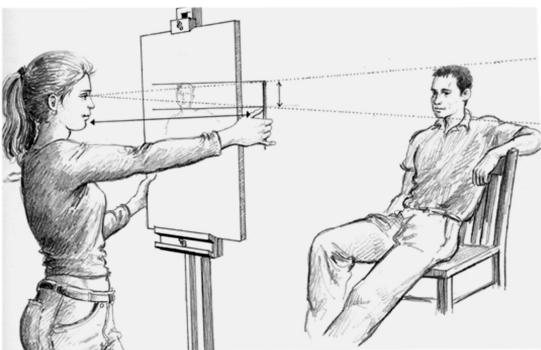

Random Mark

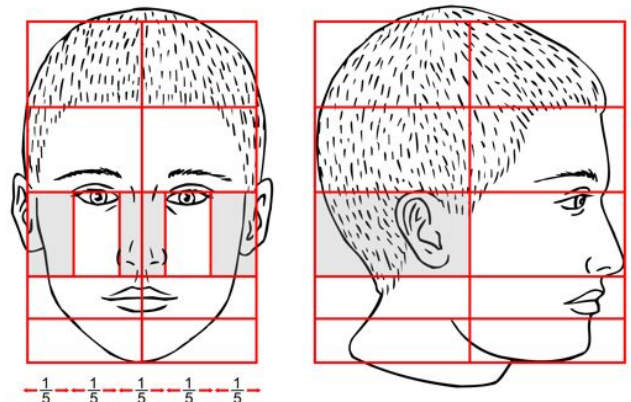

## DRAWING FROM REAL LIFE

~I can draw objects I see using techniques to keep them in correct proportion

## DRAWING PEOPLE

~I can draw human faces using proper facial proportions

## CREATING MY OWN ART PORTFOLIO

~I can document & collect my artwork to demonstrate my growth as an artist
